EURONEXT CORPORATE SERVICES

**We help listed companies and advisory firms tackle capital markets,
ensure compliance and enhance governance.**

Euronext Corporate Solutions offers a unique suite of services and solutions to help organisations achieve their goals. We combine our extensive knowledge across the financial, legal and advisory landscape with our passion for purpose-driven technology to provide organisations with a holistic approach that simplifies the complexities of the capital markets.

Euronext Securities complements this by supporting issuers and investors throughout all phases of their annual general meetings and elections. Our secure, user-friendly platforms enable organisations to hold fully or partially virtual meetings, manage voting and attendance, and ensure transparent reporting. With expertise in both virtual and on-location meeting services, we help streamline processes, enhance investor engagement, and relieve internal resources, allowing you to focus on what matters most.

Together, we deliver unparalleled support for organisations navigating the capital markets and engaging with their stakeholders.
